We are delighted to bring to the market this unique purchase opportunity offering significant scope to extend to the side/rear and loft (STPP). Already offering more than 1,590 square feet of generous living space, this three bedroom semi detached house is positioned on a large wide corner plot in a sought after residential location. We love the large sunny garden to the rear, in addition to the generous front garden, garage and driveway for several cars. No chain.

Arnold Crescent is located on a quiet and popular residential road which is situated fantastically for local parks, Whitton & Twickenham high streets, home to a vast array of shops, bars, restaurants and other amenities. The area is well served by local transport links.
