Moovd Online Property Auctions offer For Sale via Option A – Unconditional Online Auction on the 7th May 2026 a superb development opportunity in the popular village of Newfield, on the outskirts of Durham.

Currently the site is occupied by a derelict two-bedroom, two reception room end terrace standing within a large corner plot. However provisional plans have been passed for two, three-bedroom properties to be developed within the existing boundary. Our client believes the site could be developed further if new plans were submitted, with the demolition of the current property and potentially two rows of terraces to be built either side of a central road and gardens. Existing outlined plans have been drawn up and are available on request.

Newfield is a small, quiet, semi-rural village located between Durham City and Bishop Auckland with nearby towns of Willington, Crook and Spennymoor in close proximity offering everyday practical amenities, including local schools and shops.
