The impressive double reception room sits at the front of the property and features high ceilings, engineered wood flooring, contemporary feature lighting and bespoke cabinetry, including two integrated wine storage cupboards and a full width media unit with shelving and ambient lighting.

To the rear are three generous double bedrooms, each with fitted wardrobes and beautifully appointed en suite bathrooms. The apartment also benefits from a separate guest WC and a stunning bespoke kitchen, with large glazed doors opening from both the kitchen and reception room, creating a wonderful sense of light and openness.

The current owner has gone above and beyond in the quality of the refurbishment, combining exceptional craftsmanship with luxurious finishes throughout. Positioned on a charming residential street in the heart of Chelsea, the apartment is ideally located for the boutiques, restaurants and cafés of the King's Road, South Kensington, Earl's Court and Gloucester Road, all within easy reach.
