Property Description

8 Fasach is a charming former croft house occupying an elevated position within the scenic township of Fasach affording stunning views across Glendale, Loch Pooltiel and the Minch towards the Outer Isles. The property is in need of a slight degree of modernisation however still retains much of its original character with deep window sills and exposed stone walls.

Set out over two floors the accommodation within comprises of entrance porch, hallway, lounge, dining room, kitchen and shower room on the ground floor. The first floor hosts a landing two double bedrooms and a box room. In addition the property benefits from UPVC double glazing throughout, solid fuel Rayburn and multi-fuel stove in the lounge.

Externally, the property sits within 2.78 acres or thereby (to be confirmed by title deed) of garden grounds. The immediate garden grounds are laid to grass complimented by mature trees, shrubs and bushes with an established hedge to the front providing privacy. The remainder of the land is located to the rear of the property and is sloping in nature and would be ideal for anyone interested in horticulture with ample space to erect Polytunnels, add ground solar panels and create raised beds and/or livestock. Parking is available to the side of the property on the driveway. Located to the side of the property is a large agricultural shed.

8 Fasach would make a lovely family home and viewing is highly recommended to fully appreciate the setting and views on offer.

Ground Floor

Energy Efficiency Rating			Environmental Impact (CO ₂) Rating		
	Current	Potential		Current	Potential
Very energy efficient - lower running costs			Very environmentally friendly - lower CO ₂ emissions		
(92+) A			(92+) A		
(81-91) B			(81-91) B		
(69-80) C			(69-80) C	70	79
(55-68) D		66	(55-68) D		
(39-54) E	39		(39-54) E		
(21-38) F			(21-38) F		
(1-20) G			(1-20) G		
Not energy efficient - higher running costs			Not environmentally friendly - higher CO ₂ emissions		
England, Scotland & Wales EU Directive 2002/91/EC			England, Scotland & Wales EU Directive 2002/91/EC		

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO₂) emissions. The higher the rating the less impact it has on the environment.
