The property is entered via a welcoming Entrance Hall, providing a central point of access and setting the tone for the spacious accommodation beyond, with a convenient cloakroom/WC positioned just off.

To the front of the house sits a well-proportioned multifunctional room we have described as an office, ideal for home working, or maybe a gym, music room or playroom, offering a quiet and practical workspace separate from the main living areas. There is also access into a good size storage closet off this room. The principal reception room (labelled Living Room) is particularly impressive, with a large Living Room forming the heart of the home. This room offers excellent proportions and natural flow, linking seamlessly through to the Sitting Room, creating a versatile arrangement ideal for both formal entertaining and relaxed family living. Views and access into the garden from the living room paint a picture worth a thousand words – the beautiful private backdrop to the home provide a stunning live picture to enjoy.

To the rear, the property opens into yet more multi-functional space, this time labelled Dining Room, perfectly positioned for entertaining and enjoying views over the garden. This in turn connects directly to the Kitchen, which is well laid out with ample worktop space and room for informal dining. The kitchen/dining arrangement creates a sociable hub, ideal for modern family life.

A notable feature is the integral Garage, offering substantial storage or potential for further conversion (subject to permissions), with internal access enhancing practicality.

The first floor is arranged around a spacious Landing, enhancing the sense of light and openness and providing access to all rooms. 4 double bedrooms plus a office / study makes up the bedroom count. The standout feature is the impressive Principal Bedroom Suite, a particularly large room with extensive fitted storage and the benefit of a private En-Suite Bathroom, creating a luxurious retreat.

There are 3 further double Bedrooms, all well-proportioned and offering flexibility for family, guests, or additional workspace. The added extra benefit of the office / study room provides further versatility, ideal as a nursery, dressing room, or home office. (Some agents might even say this is a 5th bedroom). All of the bedrooms, including office room are served by a modern Shower Room, conveniently located off the landing, but don't forget you get the en-suite to the main bedroom.

Broadhill Close is a particularly attractive place to live thanks to its quiet, residential feel combined with the wider appeal of the Bramhall area. The road itself is a small cul-de-sac with only a handful of properties, which naturally limits traffic and creates a peaceful, private atmosphere—ideal for families or anyone looking for a calmer pace of life. Homes here are predominantly detached and owner-occupied, reflecting a well-established, stable neighbourhood with a strong sense of community. Added to this, the property boasts an enviable address with its position off Broadway, which is arguably Bramhall's premier addresses.

Overall, Broadhill Close combines exclusivity, tranquillity, and convenience in one of Stockport's most sought-after suburbs. It's the kind of location that appeals to buyers looking for long-term quality of life—quiet streets, strong property values, and easy access to both countryside and city connections.
