Bedrooms: 2

Bathrooms: 1

Receptions: 1

A beautifully renovated two-bedroom split-level apartment, situated on the desirable Ashted side of Leatherhead and offering spacious, modern accommodation arranged over two floors, together with a private balcony and off-street parking.

The current owners purchased the property in 2015 as a renovation project and have since completely transformed the apartment throughout. One of the most significant improvements has been the removal of the wall between the kitchen and living space, creating a bright and sociable open-plan kitchen, dining and reception room – ideal for both everyday living and entertaining.

The property has been thoughtfully modernised throughout, including the installation of a Megaflo hot water system in place of the more traditional water tank arrangement found elsewhere within the development.

The split-level layout provides excellent separation between the living and sleeping accommodation, with two well-proportioned bedrooms and a modern bathroom. A private balcony provides valuable outside space, while the property also benefits from off-street parking.
