Fochabers 10 miles • Keith 11 miles • Elgin 19 miles

A fabulous four / five-bedroom family home, set in approx. 28 acres of paddocks and woodland with exceptional equestrian facilities, in a glorious setting with spectacular panoramic views.

The bungalow is believed to have built in 1995 and is in an elevated position that takes in the panoramic views, providing over 3,000 sq ft of bright and airy living space. It is surrounded by its own land and therefore enjoys a high degree of privacy and seclusion.

The superb range of outbuildings and equestrian facilities have recently been upgraded by the current owners for their own private use and the property as a whole provides multiple potential business opportunities, subject to any necessary permissions.

The property occupies a highly desirable rural location in between Aberdeen and Inverness, just a few miles from the A98, in an area that offers outstanding scenery with rolling countryside, secluded beaches, lovely glens, championship golf courses, salmon and sea trout fishing and numerous world-famous whisky distilleries. The Moray Firth Coastline is accessible within a few miles, offering a multitude of leisure pursuits including surfing and sailing. Nearby Buckie offers a good range of local amenities including schools, supermarket, leisure centre and a range of independent shops and cafes. The larger towns of Elgin and Keith are within easy reach and there is good access to Aberdeen and Inverness. There are airports and rail links at both Inverness and Aberdeen and the Caledonian Sleeper train service leaves Aberdeen in the evening and arrives in London the following morning.
