ACCOMMODATION

The ground floor comprises a spacious open-plan reception area, created through previous enhancements that seamlessly combine the living and dining spaces into one impressive room. The first floor comprises two bedrooms, with the principal bedroom positioned to the front elevation and benefitting from built-in wardrobes. The shower room is also located

on this level, while a loft hatch from the second bedroom provides access to the loft space. The loft is boarded and fitted with lighting and a ladder, and also houses the boiler and water tank. Subject to the necessary consents, the loft offers excellent potential for conversion to further enhance the accommodation.

Beyond, the garden has been beautifully landscaped with symmetrical flower and vegetable beds separated by attractive pathways. Further benefits include a garden shed, an additional seating area, fruit trees and a variety of established planting.
