Description

Hunters Stroud are delighted to offer this good sized 3-bedroom terraced home on Victoria Road, lovingly owned by the same family for over 65 years. The property has been well maintained throughout, with the added benefit of independent modern electric heating, and now offers an excellent opportunity for a buyer wishing to modernise to their own taste. A central hallway leads to a cosy front sitting room. The kitchen/dining room sits at the rear, complemented by a separate utility room with cloakroom alongside and direct access to the garden. Upstairs, the home provides 3 bedrooms, including one with built-in wardrobes and attractive views across the valley. A surprisingly good sized family shower room completes the first floor. Externally, the property enjoys a terraced front garden with mature planting. The long rear garden, mainly laid to lawn, offers plenty of space for outdoor enjoyment and benefits from access onto Albert Road. The elevated position also provides lovely far-reaching views across the valley, adding to the appeal. A neighbour is also happy to sell his garage which is located at the bottom of the garden (Do ask for more information on this). Viewing by appointment only.
