Swanage, BH19 1AP

- Central Swanage Location
- Close Proximity to the Beach
- Established Guest House
- Five En-Suite bedrooms
- Owners Accommodation
- Self Catering Potential
- Off Road Parking
- Landscaped Gardens
- Strong Repeat Business
- Investment Opportunity

Railway Cottage is a substantial and versatile freehold property occupying a prominent position on Victoria Avenue, within easy walking distance of Swanage town centre, the beach and the Swanage Steam Railway. Currently run as a successful guest house with spacious owners' accommodation, the property offers an excellent opportunity for those looking to continue an established business, whilst also presenting potential as a large family home or multi-generational residence.

Approached through an attractive front garden with mature planting, an ornamental pond and seating area, the property has an inviting feel from the outset. To the rear is a private enclosed garden with several seating areas, together with off-road parking for three to four vehicles.

The accommodation is arranged over two floors and has been thoughtfully configured to provide two separate private living areas

alongside the guest accommodation. The main owners' apartment is centred around a generous dining hall, leading through to a well-fitted kitchen with bespoke granite worktops, integrated appliances and access to the side of the property. Beyond is a comfortable sitting room with sliding doors opening directly onto the rear garden. There are two spacious double bedrooms, together with a modern family bathroom. A second private apartment offers further flexibility and comprises a double bedroom with adjoining conservatory/utility room, fitted kitchen, bathroom and a spacious lounge/dining room with doors opening onto the garden. Beyond this is an annexe with a large living room/bedroom and an additional loft room above, offering scope for a variety of uses, including potential conversion into self-contained accommodation, subject to the relevant permissions. The first floor is arranged as five en-suite guest bedrooms, including double, twin and family rooms. All are well presented and equipped for room-only letting, allowing the current owners to operate a straightforward business with an established base of repeat guests.

Railway Cottage has traded successfully for many years and currently operates below the VAT threshold, offering buyers the opportunity to continue an established business while exploring further potential. There is also scope to create additional accommodation within the roof space, subject to the necessary consents.

Its location is one of the property's greatest strengths. Swanage beach is approximately 450 yards away, with the Steam Railway Station around 500 yards from the property. The town centre, The Mowlem Theatre, local shops, cafés and restaurants are all within easy reach, while Durlston Country Park, the Jurassic Coast and Corfe Castle are only a short drive away. Offering a combination of both a home and income, or the opportunity to create a substantial family residence, Railway Cottage is a rare property in a highly regarded coastal location.
