

Property Description

Upon entering the property, a hallway provides access to the main ground floor accommodation. To the front is a sitting room, while the kitchen is positioned to the rear. Leading off the kitchen is an additional reception room, which opens into a conservatory overlooking the rear garden. This layout provides several separate areas for relaxing, dining or entertaining. The hallway also provides access to a utility room, fitted with plumbing for both a washing machine and tumble dryer. A shower room and separate WC are also located on the ground floor, adding to the practicality of the accommodation.

Stairs from the hallway lead to the first floor, which comprises three bedrooms and a family bathroom.

Externally, the property benefits from driveway parking to the front. To the rear is a generous south-west-facing garden, providing outdoor space for seating and recreation. Side access connects the front and rear of the property.
