DESCRIPTION

Constructed to an attractive Victorian style design this superbly proportioned retirement apartment is situated on the second floor of this wonderfully maintained development. Whilst enjoying views over the tree lined grounds it is hard to imagine that just a few hundred yards away is the centre of Altrincham with its highly popular Market Hall which contains a variety of small Independent retailers and informal dining options. The location is also ideal for the Metrolink station which provides a frequent service into Manchester and the surrounding areas.

The accommodation is well presented and importantly replanned to create much sought after open plan living space with the added advantage of a commanding outlook from the private balcony. Electric heating has been installed together with double glazing throughout and also within the apartment is a video entry system and Careline monitoring service.

The private entrance hall incorporates a large storage cupboard alongside a cloaks cupboard with ample space for hanging coats and jackets plus a separate airing cupboard. The kitchen is fitted with Shaker style units complemented by polished granite work-surfaces alongside a range of NEFF integrated appliances and opens onto a spacious sitting/dining room with sliding windows to the aforementioned balcony.

The primary suite comprises generous double bedroom and shower room/WC with white suite, chrome fittings and walk-in shower. There is an additional double bedroom which is currently used as a study and a modern shower room/WC.

The communal areas are tastefully presented and include a residents lounge with adjacent kitchen and there is both a lift and staircase to the secure under-croft parking area. Furthermore there is communal storage for suitcases etc. in the basement.

The tree lined communal grounds are certainly a feature with undulating lawns and carefully planned mature and colourful borders.
