A beautifully finished, detached two-bedroom barn conversion set within a private daffodil farm in a peaceful rural location, offering a rare combination of lifestyle appeal, income generation and future upside.

Completed in 2023, the property has been comprehensively renovated to a high specification, blending contemporary finishes with the character of the original agricultural building. The result is a turnkey home suitable for full-time living, second home use, or continued holiday letting.

The accommodation is centred around a bright and spacious open-plan kitchen and living area, designed to maximise natural light and flow. The kitchen is finished with quartz worktops and quality fittings, complemented by high-end porcelain flooring running throughout the property.

There are two generous double bedrooms, both with en-suite shower rooms, making the layout ideal for guests, holiday letting or flexible living arrangements.

The property benefits from underfloor heating, modern insulation, a new boiler and oil tank installed in 2023, and generally low ongoing running costs.

Externally, the property enjoys its own private gated access leading to a driveway with parking for two to three vehicles. A private patio and garden area provide outdoor space to enjoy the surrounding countryside.

Planning permission has been granted to extend the property to a three-bedroom dwelling with an additional 25 sqm, offering clear future value uplift (Ref: PA23/02214).

The property is currently operated as a successful holiday let, generating in excess of £40,000 per annum, with no holiday let restrictions and full residential use permitted. (holiday letting figures available on request)

Despite its peaceful rural setting, the property is well connected: Helston is approximately 10 minutes away, Falmouth and Porthleven around 20/25 minutes, Truro and St Ives 25–30 minutes, Penzance 35 minutes and Newquay Airport approximately 45 minutes. Beaches, coastal walks and village amenities are all within easy reach.
