Inside the property retains character and charm with period features including beautiful Hamstone fireplaces, window seats, exposed stone walls and deep window cills. The conversion of the attic space now provides two further rooms; one used as an office and the other as a store. The rear garden is a real feature of the property, gently tiered and private with lawns, rose borders, raised beds and a superb wooden deck with pergola over at the top facing South with outside bar, summerhouse and shed.
