

Lake Cottage Ockham Road North, West Horsley, KT24
6PE - Guide price £1,200,000

 4  3  2  B

A recently refurbished and extended 18th-century cottage set in a private lane, enjoying beautiful views and quiet seclusion whilst being only a short distance from the mainline station and local shops.

Boasting a stunning and bespoke finish throughout, the flexible ground floor layout comprises a cosy sitting room with a wood-burning stove and beamed ceiling; a downstairs bedroom which could also function as a home office or snug; and a breathtaking open-plan kitchen/dining/living room with a natural stone finish and Crittall-style doors to the garden. Completing the ground floor is a separate utility room with side access and a luxury shower room.

Upstairs holds three well-proportioned bedrooms with a lavish en suite bathroom to the principal, which also enjoys far-reaching lake views from a Juliet balcony. This floor is completed with a luxury fitted family bathroom with a roll top bath and a separate toilet off the landing.

Outside, there is a beautifully landscaped wrap-around garden with a mix of lawn areas, sandstone paved patios, Cotswold stone-chipped sections, railway sleeper borders, and thoughtfully planted beds offering a pleasant selection of flora. The current owners have also erected a delightful timber outbuilding, currently functioning as a holistic and wellbeing centre; however, this could be tailored to your own individual needs. Solar panels have been added to contribute to this home's "B" rating on the Energy Performance Certificate, making it exceptionally energy efficient.

Secure double-gated side access allows

for parking large vehicles to the side of the dwelling, while the front driveway, also double-gated, provides parking for multiple vehicles.

West Horsley is a semi-rural village, located between Guildford and Leatherhead. Nestled on the edge of the Surrey Hills, it is a prestigious residential area known for its strong community feel, sought-after schools, and beautiful green space.
