We have pleasure in offering to the market this impressive individual detached contemporary home with an excellent level of internal accommodation lying in excess of 2,100 sq.ft.; providing four bedrooms and three receptions making it ideal for families.

Originally completed in the 1990s to an attractive design with aesthetically pleasing brick and stone elevations beneath a pantiled roof behind which lies a versatile level of accommodation, the property has more recently undergone a significant programme of improvements including updated double glazed windows, tastefully appointed kitchen and bathrooms and neutral decoration. The property has also benefitted from the addition of a double garage with a studio off, designed to complement the main house. A re-landscaped frontage has added additional parking. The property also benefits from the installation of photovoltaic panels, an air source heat pump and connection to mains drainage. Combined this all creates a more efficient home.

The property blends both modern and traditional elements with a bespoke kitchen finished in heritage style colours with a useful utility off, a light and airy sitting room with access out into the rear garden and a useful study. A central boot room provides a fantastic level of storage and leads through into a further impressive reception large enough to accommodate both living and dining with an attractive part vaulted ceiling and glazed gable end with views across the garden and fields beyond. In addition there is a ground floor cloak room leading off a central hallway and a staircase rising to a galleried landing. To the first floor there are four bedrooms, the principal of which benefits from ensuite facilities, and separate main bathroom.

In addition the property occupies a delightful landscaped plot which lies in the region of 1/5 of a acre with ample off road parking, beautifully landscaped well stocked gardens surrounding the house and a private south to westerly facing rear garden with an aspect across to adjacent fields.

Overall this is a stunning unique home within this pleasant hamlet but still located within easy reach of the amenities of the market towns of both Bingham and Newark.

Viewing comes highly recommended to appreciate both the location and accommodation on offer.

SIBTHORPE

Sibthorpe is a small hamlet located just off the A46 between the market towns of Bingham and Newark with good road access to the A52, A1 and M1. Amenities are available in the nearby market towns of Bingham and Newark with well regarded primary schools in the adjacent villages of Orston, Flintham and East Bridgford and within the catchment area for Toothill School and with bus links to Kesteven & Grantham Girls School and Kings School, both in Grantham. From Newark there is a high speed train to King's Cross in just over an hour.
