Smithy Way, Lindley Huddersfield,

Offers over £325,000

This stylish, light and bright three-bedroom home is located on a no-through road and was selected off-plan by our vendors for its southerly rear aspect and size of garden. It is arranged over three floors and is conveniently situated for access to Lindley Village and Salendine Nook Shopping Centre. The property offers perfect accommodation for a growing family in an ideal commuting position. An internal inspection is highly recommended to appreciate the light and bright interior. The accommodation comprises an entrance lobby, dining kitchen with integrated appliances, downstairs WC and rear facing living room with French doors out into the enclosed rear garden. On the first floor, there are two bedrooms and a good-sized house bathroom. The large master bedroom and en suite shower room can be found on the top floor. The property has gas-fired central heating and uPVC double-glazing. Externally, there is parking to the side on the driveway and a major selling feature is the rear garden, which is enclosed by perimeter fencing and can be a real sun trap with its southerly aspect and paved patio area. Early inspection is essential!

Details

Entrance Lobby

An external composite door with an opaque glazed panel gives access to the entrance lobby. It has a robust style carpet and a carpeted staircase rising to the first floor accommodation. There is a slim storage cupboard housing the electric fuse board, a radiator and a door leading to the dining kitchen.

Dining Kitchen

Positioned at the front of the property, this good-sized room is presented to a very high standard. The kitchen area has units to high and low levels and worktops with matching upstands, extending to create a breakfast bar area with space for buffets. There is a one-and-a-half stainless steel sink with a single drainer. Integrated appliances include a four-ring gas hob with splashback and illuminated canopy style filter hood, oven, fridge freezer, washer dryer and dishwasher. Concealed is the boiler for the central heating system. There is under unit lighting and ceiling downlighting. A uPVC window allows natural light from the front elevation. There is plenty of space for a formal dining table and the room creates a lovely open-plan eating and entertaining area. The dining area has a ceiling light point, stylish grey vinyl flooring and an open under stairs storage space, perfect for shoes, etc, which could be enclosed. There is also a radiator.

Downstairs WC

This room has a continuation of the flooring from the dining kitchen and a two-piece white suite comprising a wash hand basin and a low-level WC. There is half height wall tiling, an extractor fan and a radiator.
