Cundy Street, Walkley, Sheffield, S6 2WJ

Offers Over £150,000

3 1 2

A fantastic opportunity to acquire this three bedroom semi-detached home, located in the ever-popular Walkley area. Offered to the market with no onward chain, the property requires modernisation throughout but offers excellent potential for a buyer looking to create a home to their own style and specification.

The ground floor offers a traditional layout, with a front facing living room, separate dining room and kitchen to the rear. There is also access down to a useful cellar, providing additional storage space.

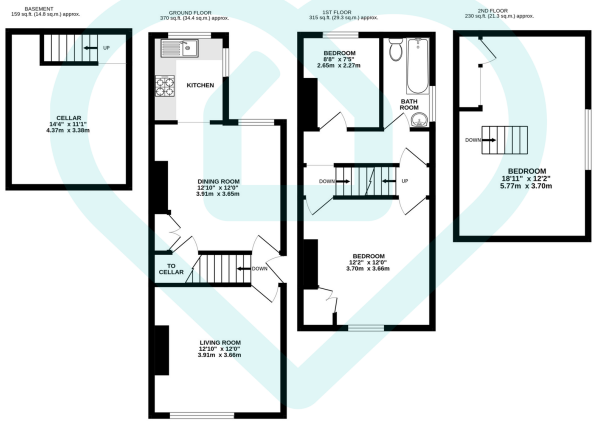

To the first floor are two bedrooms and the bathroom, with a further large bedroom located on the second floor. The overall layout gives the property a good amount of flexibility, particularly for those needing extra bedroom space, a work from home area or further scope to improve.

Externally, the property benefits from on-road parking and a good sized rear garden for the area. The garden is currently in need of attention, but provides a brilliant opportunity to landscape and create a lovely outdoor space.

Cundy Street is well placed for Walkley's excellent range of local shops, cafes, pubs and amenities, with good access to Crookes, Hillsborough, Sheffield city centre and public transport links. A great project in a highly sought-after location, offered with no onward chain.

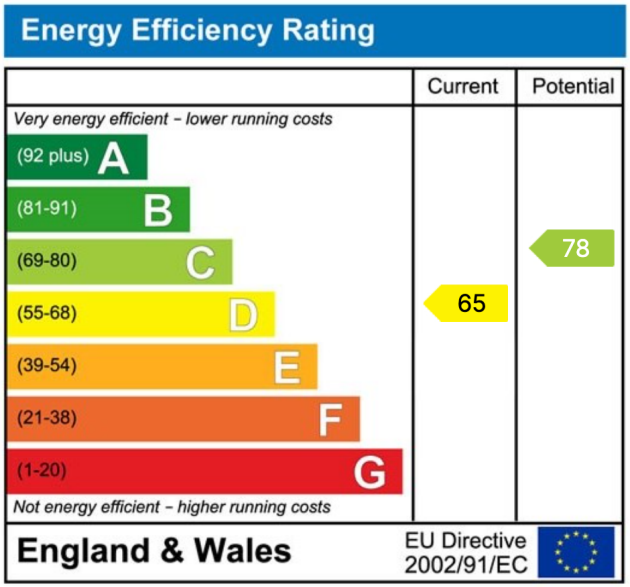

TOTAL FLOOR AREA : 1074 sq.ft. (99.7 sq.m.) approx.
