Mcewan Fraser Legal is delighted to offer this substantial Victorian three-storey end terraced house for sale. Set within the St Andrews Conservation Area, 1 Alfred Place is on City Road, between South Street and Market Street, in a prominent position in the vibrant heart of St Andrews.

The property incorporates two self-contained dwellings. On the ground floor, there is a two-bedroom two-bathroom apartment, and on the first and second floors, there is a separate four-bedroom and two-bathroom apartment, which has a current HMO license for four people. Whether operated as a large six-person home or as two distinct four and two-person flats, this property offers an excellent, versatile investment and attractive return. The property is currently on one title, which can be separated and is offered for sale with sitting tenants.

The property is exceptionally well presented and in excellent decorative order. Neutral colours throughout provide a blank canvas on which to add personal choice. The addition of a substantial two storey extension in 2009 combines the traditional build with modern features.

THE LOUNGE/KITCHEN

An entrance vestibule leads to an inner hallway giving separate access to each apartment. The ground floor flat comprises an open plan lounge leading to a dining area and kitchen with ample storage as well as a cooker, integrated refrigerator, freezer, dishwasher, washing machine and tumble drier. A French door leads from the kitchen to a delightful, secluded and sheltered courtyard. A spiral staircase in the courtyard provides an alternative evacuation route from the upper-floor apartment.

A large double bedroom with an en-suite shower room is situated to the rear of the property. The second large double bedroom with original window shutters is to the front of the property, with an adjacent shower room.
