Brief Description

Viewing is essential to appreciate this spacious detached house, which has been greatly improved by the current owner to provide tastefully presented and well maintained accommodation throughout.

The property is entered from the side, into the Entrance Hall with stairs to first floor and doors to Lounge and Kitchen. The Lounge has a large picture window to the front and additional side aspect window, with useful understairs cupboard. The modern kitchen diner offers a range of base and wall mounted units with 'Carrara quartz' kitchen work surface shaving an inset sink unit and hob; integral oven, dishwasher, washing machine and fridge / freezer. A window and french style patio doors open into the Conservatory with doors to the rear garden. A courtesy door from the conservatory opens into a storage space with cloakroom/WC off and door into the former garage, which has been batoned and plastered to form a further

storage area.

Stairs ascend to the first floor Landing with window to the side. The full width bedroom one has a range of built-in wardrobes to one side. Bedrooms two and three are to the front of the property, with both having dual aspect windows. The contemporary shower room has a modern white three piece suite including a larger than average shower cubicle, washbasin and WC set into a vanity unit.

The accommodation benefits from gas central heating and uPVC double glazing. Externally, the property is approached over a tarmacadam driveway with raised, lawned fore garden. A timber gate to the side opens to a pathway to the fully enclosed, westerly facing rear garden, which is mainly laid to lawn with a good sized patio seating area. There is a substantial timber storage shed and a bespoke garden room, with two internal spaces, currently used as a workshop. This is available by separate negotiation.
