The front door opens into a bright and inviting hallway, complete with a convenient downstairs cloakroom to the left. To the other side, the original kitchen features space for a washing machine, dishwasher, tumble dryer, and upright fridge freezer—a rare advantage in a home of this style. Birch effect units are complemented by an integrated gas hob and electric under-counter oven and vinyl flooring. The double patio doors leads directly into the westerly facing

conservatory.

Upstairs, the landing includes an airing cupboard with the hot water cylinder and slatted shelving. The three bedrooms include a master with an en suite shower room, complete with a window for natural light and ventilation. A family bathroom, with a shower handset over the bath, completes the accommodation.

OUTSIDE

To the rear, the garden is laid to gravel and paving for ease of maintenance with flower beds adding colour and variety with a mix of roses and fruit trees. It enjoys a sunny aspect in the afternoons and evenings, and is fully enclosed making it safe for those with small children and dogs. The property benefits from a single garage with a driveway parking space to the front.
