GIBBINS RICHARDS 
Making home moves happen

A fantastic and near unique opportunity to acquire a spacious and extended three bedroomed house offering an extended interior, a good sized garden and in need of complete refurbishment. The property, offered to the market with no onward chain, has been extended to the rear to provide a two storey extension by way of an extended kitchen and a third bedroom upstairs. Viewing is highly recommended.

Tenure: Leasehold / Energy Rating: C / Council Tax Band: B

Set among a terrace of similar properties, this conveniently located terrace house has so much to offer and is currently in need of some refurbishment. With gas central heating and some double glazing, the property is perfectly livable, but just requires some sprucing up to make it in line with modern taste and design. The two storey extension, added some years ago, is a fantastic addition and enhances the living space.

There is also a good sized and enclosed rear garden with a patio and lawned area. On street is provided and the house is located towards the bottom of East Reach, which gives good access to the A38 and the M5 motorway. Properties of this design and price are becoming increasing hard to find, so we would encourage an early viewing to register your interest..
