DESCRIPTION

Cottrell Road contains a variety of detached bungalows standing within mature grounds all of which combines to create an attractive street scene. Well placed for access to the surrounding network of motorways and Manchester International Airport and with local shops available within the revitalised village centre including Asda supermarket and Costa Coffee. The property also lies within the catchment area of highly regarded primary and secondary schools.

Set back beyond the grass verge and tree lined carriageway this traditional detached bungalow benefits from a well planned loft conversion and occupies an enviable position with westerly facing gardens at the rear. The interior is generously proportioned and superbly presented throughout and needs to be seen to be appreciated.

The accommodation is approached beyond an enclosed porch and wide entrance hall with provision for storage/cloaks. Positioned toward the front there is an elegant sitting room with the focal point of a period style fireplace surround and living flame gas fire framed in brushed chrome. At the rear, an impressive open plan living/dining room features Shaker style units complemented by stone effect work surfaces and a full range of integrated appliances. In addition, French windows open onto the paved terrace and gardens laid mainly to lawn. There are two ground floor double bedrooms, one with en suite WC, and a well appointed shower room/WC.

At first floor level the excellent primary bedroom has the added advantage of bespoke fitted wardrobes. The bathroom/WC is fitted with a modern white/chrome suite and the landing has been utilised to create a concealed laundry area alongside a separate study area.

Gas fired central heating has been installed together with PVCu double glazing throughout.

The beautiful landscaped grounds have been carefully designed with a variety of trees and shrubs and a paved rear terrace which is ideal for entertaining during the summer months.
