Brunswick Street

Cheltenham, GL50 4HA

Offers In Excess Of £180,000

Welcome to Brunswick Street, one of the first and oldest residential streets in St Pauls. This lovely two-bedroom town house has a modern kitchen and bathroom and, having been a rental property, has had regular gas and electricity checks in keeping with legislation.

This fine home is offered to the market at a very attractive guide price to reflect the fact that the property does require cosmetic updating, but with the kitchen and bathroom being in good condition, the fitting of new carpets and a full redecorate will do wonders with this house. (no structural survey has taken place).

The West facing rear garden is laid to lawn and enjoys a good degree of privacy with close panel fencing to the boundaries. Inside, the property offers the following accommodation: -

The living room sits to the front 'east facing' direction with a door leading into the dining room. The dining room in turn leads to the kitchen, which is located in the original protrusion with the bathroom off to the right.

On the first floor there are two good sized bedrooms, with bedroom one facing the front elevation and bedroom two facing the rear.

SUMMARY:

This is a fabulous starter home which requires some simple decorative upgrading. The house will be cheap to run and sits within the Cheltenham town boundary with all the services and assets that come with town living. At the end of Brunswick Street is the entrance to the 'Brewery Quarter' offering a wide choice of restaurants, a gym, a multi-screen cinema and much more.

Brunswick Street is one of the first roads to be built in St Pauls and some of the homes date back to 1806. We don't think this particular home dates that far back, but it is definitely a great traditional house, with character and perfect for buying to rent or buying as a home.

We highly recommend this property.
