Description

Hollands Road offers a fantastic location to enjoy all the charms of village life while being close to the South Downs Link and local favorites like the Cabin at Berretts Farm.

This two-bedroom property has been lovingly cared for by the current owners for over 50 years and has been maintained to a high standard, with several updates made in recent years. One notable addition is the glazed conservatory, which creates a seamless connection between the indoor and outdoor spaces and can serve as an additional reception room when needed.

As you enter the property, you are greeted by a bright hallway that leads to all the main rooms on the ground floor. The 17.9-foot living room is filled with light from a large front-facing window, complemented by the conservatory at the other end. The kitchen/breakfast room offers a delightful view over the rear garden and features a range of countertops, along with a breakfast bar for added convenience.

Stairs lead to the first floor, where both double bedrooms are located. The main bedroom measures 14.3 feet by 10.4 feet and includes built-in wardrobes and a pleasant view of the rear garden. The oversized bathroom has been recently remodeled to include a large walk-in shower, paired with matching white sanitaryware.

Additional highlights include a private driveway at the front of the property, ensuring that parking is never a concern, as well as a spacious, westerly-facing rear garden primarily laid to lawn, which also features two timber potting sheds.

In our opinion, early viewing is essential to truly appreciate everything this delightful semi-detached property has to offer!
