DIRECT SEA VIEWS are from this one bedroom apartment, plus a balcony with steps down to the communal gardens. With double doors leading onto your own terrace, this beautiful apartment in the luxurious Regency Apartments on the West Cliff of Ramsgate is being vacated at the end of March 2026. Having sea views and an en suite this has got to be number one on your viewing list. This apartment is on the ground floor with views across the Channel. The accommodation is superior with the kitchen oozing quality having integrated appliances too. The block is gated for your security.

I am afraid that pets are not allowed in this apartment.
