DESCRIPTION

The front door opens into an enclosed entrance porch/boot room, with a door into the spacious sitting room with fireplace, which in turn opens into the dining room. The dining room, with side window and bay frontage has a door to the south facing sunroom which offers views of the sea and access to the front garden. The kitchen breakfast room, with window to the side, has a range of fitted units and spaces for appliances and a serving hatch through to the dining room. There is a study or bedroom 4 to the rear of the property, a good size ground floor shower room, with space for white goods, and a large rear entrance porch. The rear hallway has built-in bookcases and the staircase to the first floor where there are three bedrooms. The master bedroom to the front of the house, has fitted storage, a large ensuite bathroom, and a door to the south facing balcony affording superb views of the beach and promenade. Bedroom 2, also with two fitted cupboards, one with sink, also has access to the front balcony with views of the sea, and bedroom 3 is situated to the rear. There is a family bathroom and separate W.C.

At the rear of the property there is a lawned garden which rises up and over the air raid shelter at the end of the garden and a wooden summerhouse in the rear corner. The mature boundaries provide a good level of seclusion and there is a door to the store at the rear of the garage. At the front of the property, there is a driveway providing off-road parking, access to the single garage and a lawned front garden. Crossing Strand Way, to the promenade opposite, gives direct access to the beach and promenade which runs east to the edge of the estate before turning into the greensward and west, past cafés and access to Felpham village, right through to West Bognor and Aldwick. Whilst the property requires modernisation throughout, we highly recommend a viewing to appreciate the space and opportunity this characterful, beach frontage property has to offer.
