Plot 32, The Ashill, is a detached 2 bedroom new home Bungalow at The Pines, a small collection of modern properties within easy reach of Cromer town centre.

The home has a practical layout designed for day-to-day living including an open-plan kitchen/dining room/living room, two bedrooms and a shower room. The living area opens out to the rear garden, giving the main living space a simple connection to the outside.

Outside, the property has a rear garden, garage & driveway parking. The development is around a 20 minute walk from the centre of Cromer, with schools, medical facilities, shops & transport links close by.

The Pines is being built by Necton Management, a long-established family-run Norfolk developer with over 50 years experience, based in Necton. The homes are built to modern standards & come with a 10 year LABC warranty.

Depending on the stage of construction, buyers may be able to choose certain kitchens, bathrooms, internal décor, extras or amendments directly with the developer.

Parking is provided by the garage & driveway. Outside space includes the rear garden.
