Imagine coming home to a space that feels instantly welcoming, where modern design meets the effortless ease of country edge living. Built in 2022, this beautifully crafted contemporary two bedroom sanctuary feels exceptionally bright, spacious and perfectly aligned with a busy modern lifestyle.

From the moment you step inside, the home embraces you with a sense of quality and warmth, accented by beautiful oak doors and premium finishes. The heart of the home is its fluid, open plan ground floor, a sun flooded, dual aspect kitchen and dining area that flows seamlessly into a generous sitting room. Whether you are hosting a lively dinner party, cooking a weeknight meal, or curling up with a book, this sociable space adapts effortlessly to your mood. Step through the rear doors into your own private oasis.

The low maintenance, landscaped garden is designed entirely for relaxation rather than chores. A paved patio spans the back of the house, offering the ultimate setting for morning coffees, summer barbecues, or evening drinks under the stars, while the crisp artificial lawn stays green and pristine all year round.

Even better, the home is equipped with eco friendly solar panels, giving you the peace of mind of free electricity and lower running costs.

Upstairs, the sense of space continues with two well proportion double bedrooms. The principal bedroom serves as a peaceful retreat, treating you to far reaching views over the neighbouring countryside, a

beautiful reminder of your rural surroundings every morning.

Perfectly situated on the fringes of Yatton, the location strikes a rare balance between village charm and commuter convenience. A short walk brings you to the mainline railway station for direct links to Bristol, London, and the West Country, while local boutiques, cosy cafes and country walks are all just minutes away. Complete with side by side driveway parking for two cars, this is a home that lets you live sustainably, stylishly and comfortably without compromise.
