The city also has 5 Park & Ride services for ease of access into the city centre.

## Inside the Home

This beautifully presented two storey barn conversion, once part of Manor Farm, was converted in 1998 as one of nine barns, and is the first to come available in over 12 years, located in the heart of the Chalke Valley, well regarded for its stunning countryside, whilst staying within reach of good travel links.

The accommodation which is beaming with light, also benefits from high ceilings giving the property a spacious feel throughout, and includes a very welcoming entrance hall, large and very impressive sitting/dining room with wood burning stove and double doors into the garden, modern fitted kitchen with underfloor heating, separate utility with WC, and two double bedrooms both benefitting from ensuite facilities.

## Outside Space

The vehicular access for the property is off of Church Lane, where you enter a long sweeping entrance road into the Manor Farm development, leading you to the driveway, laid to gravel, providing off-road parking and access to the carport. The front garden is mainly laid to lawn.

The property also benefits from both pedestrian and vehicular access to the rear courtyard where there is further off-road parking and access to the rear garden. The sunny, south facing rear garden can also be accessed via the double doors in the sitting/dining room, where you step out on a patio, perfect for the garden furniture. The rest of the garden has been designed with low maintenance in mind, with planted borders providing an array of colour.
