## DESCRIPTION

Fairford Gardens, Worcester Park

A Home With Space, Scope & Serious Potential

Set within the popular Fairford Gardens, this extended three-bedroom end-of-terrace home offers generous accommodation, a private West facing rear garden and a substantial garage, while giving its next owner the opportunity to modernise and create a home very much to their own taste.

Already extended to the rear, the ground floor provides far more space than you might expect. The current layout includes a generous front reception room, separate sitting room, dining area and kitchen, but it is easy to see the potential here. Subject to the usual consents, the rear of the house could be opened up considerably to create a large open-plan kitchen, dining and family space – the kind of layout that works perfectly for modern family life and entertaining.

For buyers with vision, this is where the real appeal lies. Rather than paying a premium for somebody else's choices, Fairford Gardens offers the chance to redesign, modernise and finish the property exactly as you want it. Upstairs are three bedrooms and a family bathroom, with two particularly good-sized bedrooms and a useful third room that would work equally well as a child's bedroom, nursery or home office. Outside, the property benefits from a private rear garden together with a substantial detached garage/shed measuring approximately 24ft x 15ft, providing excellent storage, workshop space or further potential depending on requirements and any necessary permissions.

The property does require updating in places, but the fundamentals are already here: good proportions, an extended footprint, useful outside space and a highly adaptable layout. Fairford Gardens is well positioned for Worcester Park and Stoneleigh stations, providing direct services into London Waterloo, as well as convenient access to local shops, parks and well-regarded schools. including Cuddington Community Primary, Auriol Junior and Richard Challoner.
