Plot 22 The Silversmith, Stowmarket, IP14 4NS

Guide price £430,000

The Silversmith is a stunning four-bedroom family home, thoughtfully designed with light-filled rooms and a distinctive L-shaped layout. This clever design creates a mix of dual- and triple-aspect rooms that draw in natural daylight, providing generous space for family life and entertaining guests.

At the heart of the home is the open-plan kitchen and family area, a spacious and sociable setting for cooking, relaxing, and spending time together. The U-shaped garden includes an array of integrated appliances, breakfast bar for casual dining, and French doors from the family area opening onto the rear garden, perfect for morning coffees or evening drinks. A handy storage cupboard in the kitchen provides an ideal spot for appliances or could be used as a pantry.

The separate living room also features French doors to the garden, allowing seamless indoor-outdoor living. A formal dining room is situated in a
