INTRODUCTION

A simply outstanding family home. Occupying an approx. third of an acre mature plot, in one of Cottingham's most convenient and desirable locations, is this individual detached house. Beautifully appointed and with a stunning open plan living kitchen, this lovely home is ideal for modern life. An electric gated entrance provides privacy and opens to a long driveway with the property well set back into its plot with lawned gardens complementing the excellent parking and garage to the front, which has an electric up-and-over door. To the rear lies an extensive patio with lawns stretching out beyond. At the bottom of the garden, is a former greenhouse, brick potting shed and summerhouse which afford further potential for conversion into entertaining/work from home space. The original house itself is believed to have a Dutch influence in design and in recent times has been subjected to significant extension and remodelling to create a most attractive and interesting home. The accommodation is depicted on the attached floorplan and briefly comprises an entrance hallway, separate lounge with deep bay window, cosy sitting room with log burner, dining area and a fabulous open plan living kitchen measuring approx. 20 ft by 17ft. Practicalities are catered for by a utility room and cloaks/W.C. Upon the first floor are three double bedrooms served by a stylish four piece bathroom. There are two further bedrooms upon the upper floor which is completed by a shower room. The accommodation has the benefit of gas fired central heating to radiators and uPVC double glazing. In all, a tremendous family home of which early viewing is strongly recommended.
