A well-considered pair of new homes, Market House (Plot 4) and Merchant House (Plot 5) form part of the same small, bespoke cul-de-sac development at Buttermere, offering a balance of modern living and a more private setting than is typically found in larger schemes. Positioned within easy reach of Swaffham's town centre, the location combines convenience with a quieter residential environment.

Extending to approximately 1,454 sq ft, the properties have been designed with a focus on space and usability. The main living areas lend themselves to both day-to-day routines and more sociable occasions, while the overall layout allows for flexibility. The inclusion of two en-suites adds a practical edge.

Attention has also been given function, with an attached garage with electric door and additional parking provide convenience, while the enclosed rear gardens are notably generous, offering space that can be adapted over time, whether for entertaining, gardening or simply as a manageable outdoor area.

Built with efficiency in mind, the properties benefit from air source heating and EV charging capability, aligning with modern expectations for energy-conscious living. The addition of a 10-year Professional Consultants Certificate offers reassurance for buyers looking for a newly built home with long-term peace of mind.

Market House and Merchant House present an opportunity to secure a contemporary home within a thoughtfully planned development, where the scale and setting create a more considered alternative to larger, higher-density estates.

Swaffham

AN HISTORIC MARKET TOWN WITH A LINK TO EGYPT...

An historic and thriving market town, Swaffham is situated approximately 15 miles east of King's Lynn and approximately 30 miles from Norwich.

There is an extensive range of local amenities including a Waitrose, Tesco, Asda, further shops, pubs and restaurants, three doctors surgeries and primary, secondary and higher schools together with a variety of leisure and sports activities including an excellent golf club.

The town has an extremely popular Saturday market and many interesting historic buildings including the parish church and 'The Buttercross', which inspired the name Buttermere.

There's also a town museum which focuses on many different and impressive parts of local history. One key gallery is The Carter Centenary, a chance to learn about Howard Carter, famous for the 1922 discovery of the tomb of Tutankhamun - whose extended family lived in Swaffham.

The town offers a great hub for those who wish for a perfect family life. It has a series of schools for different ages, along with being relatively close to other schools including Greshams, Langley Hall and Beeston Hall School

It's also a good base to call home with local activities and entertainment including theatre, open gardens, nature reserves and more.

Swaffham is only around two hours by train to London, with great access to Cambridge and a short journey to Holt, Wells, Brancaster and Burnham Market - as well as the popular little seaside town of Sheringham. Norwich too is quick trip and provides an airport, offering direct flights to Amsterdam.

BUTTERMERE
