Seller Insight

“ I have lived in Towersey for almost 20 years and every time I drive back into the village my heart has always been filled with a sense of peaceful calmness. Towersey is a beautiful village that embraces all, whether you are young or a mature person. There is a strong community that cares for the village and continues to work hard to retain its identity through running various events from cabarets, fetes at the Manor House to the Towersey Fringe. A small touch is that fresh produce such as milk and eggs can be delivered to your doorstep. Towersey is surrounded by lovely walks within and around the village. I shall miss the lovely quiet summer evenings sitting by the village green listening to birds sing while the sun slowly sets reflecting its rays on the on the beautiful church building.”

“Whilst it retains a close community spirit, I have not lost my identity or space, and it feels a safe and peaceful place to live.”*
