EXTENDED THREE BEDROOM SEMI-
DETACHED FAMILY HOME WITH LOFT
SPACE

Asking Price £240,000 Freehold

An extended and beautifully presented three bedroom semi-detached home offering spacious living accommodation, a converted loft space, off-road parking, a detached garage and an impressive landscaped rear garden.

Robert Ellis are delighted to bring to the market this well-maintained semi-detached home, situated within the popular and convenient Bestwood area of Nottingham. The property has been significantly improved by the current owners and offers spacious and versatile accommodation arranged over three levels.

The accommodation is entered through a welcoming hallway with tiled flooring and stairs rising to the first-floor landing. From the hallway, there is access to the contemporary fitted kitchen and the spacious open plan lounge/diner.

The dual-aspect lounge/diner provides an excellent space for both everyday family living and entertaining. Features include parquet wood flooring, Californian shutters to the front window and bi-folding doors opening into the garden room. A glazed serving hatch also provides a practical connection with the kitchen.

The kitchen is fitted with a comprehensive range of contemporary wall and base units with work surfaces over. Appliances include an integrated AEG double oven and five-ring gas hob, together with spaces for a freestanding fridge/freezer, washing machine, dishwasher and tumble dryer. There is also a useful understairs storage cupboard with lighting and power.

Positioned at the rear of the property, the garden room enjoys windows overlooking the garden, underfloor heating and direct access outside. This provides an excellent additional reception space suitable for use as a dining room, sitting room or entertaining area throughout the year.

The first-floor landing provides access to three bedrooms and the family bathroom. Bedroom one is positioned at the front and includes Californian shutters and built-in storage. Bedroom two is a well-proportioned double bedroom overlooking the rear garden. The third single bedroom on the first floor provides access to the converted loft space. The loft has a side-facing window, lighting, eaves storage and an additional storage cupboard, making it a useful and versatile area for a home office, hobby room or occasional-use space. The loft space is not being marketed as a formal bedroom, and buyers should make their own enquiries regarding any relevant planning permissions or building regulation approvals.

The stylish family bathroom includes a freestanding corner bath, separate walk-in shower with rainfall shower, vanity wash hand basin, low-level WC, heated towel rail and contemporary finishes.

Outside, the property has a block-paved driveway providing off-road parking. A shared driveway leads to the freestanding brick-built garage, which benefits from an up-and-over door, lighting and power.

The enclosed rear garden is a particular feature of the home and has been thoughtfully landscaped to provide several areas for outdoor relaxation and entertaining. These include Indian sandstone patios, a sunken seating area, lawn, mature planted borders and a raised decked area enjoying an attractive outlook.

The property is conveniently placed for local shops, schools, recreational facilities and public transport links, with straightforward access towards Arnold, Nottingham city centre and the surrounding areas.

An internal viewing is highly recommended to fully appreciate the size, presentation and versatility of this excellent home!
