Thames Close, TW12

A rare opportunity to purchase a four bedroom home with phenomenal river views from both the back and front of the house. Set within a gated development, it comes with a private garden as well as lovely communal gardens. Also benefitting from no onward chain.

Arranged over three floors, there is an excellent sense of space throughout. The ground floor is centred around a particularly generous reception room, with doors opening directly onto the private rear garden, alongside a separate fitted kitchen and guest cloakroom. Upstairs are four excellent double bedrooms and two bathrooms, with the principal bedroom enjoying its own private balcony overlooking the Thames.

The outside space is a real highlight. In addition to its own private garden, residents have access to beautifully positioned communal gardens right on the water's edge, creating a fantastic setting for relaxing and entertaining while taking in the river views. The property also benefits from off-street parking within the gated development.

Located in an exclusive, gated development on the River Thames, this enviable location is a short walk to the village where you will find independent cafés and restaurants and the train station with its direct links into London Waterloo.
