Details

Entrance Porch

A composite door with double-glazed inserts opens to the entrance porch, where there are uPVC double-glazed windows to the front and side elevations. From here, a timber door gives access to the living room.

Living Room

This room is positioned at the front of the property and has a walk-in splayed uPVC double-glazed window. It has useful storage cupboards to the alcoves, laminate style flooring, coving to the ceiling, a ceiling light point and a radiator. The focal point of the room is a gas fire set to a marble hearth with a timber surround. The laminate style flooring continues to an inner entrance.

Inner Entrance

This area has a uPVC double-glazed window to the side elevation, a ceiling light point and a radiator. Access can be gained to the first floor landing and a timber door leads into the kitchen.

Dining Kitchen

The kitchen has a range of modern high-gloss wall and base cupboards, drawers, roll-edge worktops and a one-and-a-half bowl stainless steel sink. Integrated appliances comprise an oven and a four-ring gas hob with an overlying canopy style filter hood. There is space for a freestanding fridge freezer and plenty of room for a bistro style table. The room has vinyl style flooring, a useful under stairs storage cupboard, a ceiling light point and a radiator. To the rear elevation, there is a uPVC double-glazed window and a composite door with a double-glazed insert providing access to the rear garden.

Utility Area

The utility has a continuation of the vinyl style flooring, working surfaces, plumbing for an automatic washing machine and a ceiling light point. This room is home to the main central heating boiler. A uPVC double-glazed window allows natural light from the side elevation.
