Enjoying an elevated position with far reaching views and occupying generous sized and meticulously kept secluded gardens this surprising spacious three/four-bedroom detached bungalow is flooded with natural daylight and offers the incoming purchaser great flexibility in the arrangement of the accommodation.

Shooters Drive is a highly sought after location with the best of both worlds, surrounded by open countryside yet within easy reach of all the amenities that Nazeing has to offer, including a busy shopping parade in the heart of the village to amply cater for day-to-day requirements, well attended schools, and can even boast it has a member's golf and country club. Neighbouring towns of Broxbourne and Harlow both offer more comprehensive facilities including additional transport links by both major road and British Rail.

For those purchasers seeking a family home offering great potential and occupying a substantial plot, we would strongly encourage and early internal viewing to fully appreciate the accommodation offered.
