Stepping through the front door you are met by an entrance lobby with stairs leading to the first floor. The generous lounge overlooks the front of the property with Dimplex electric fire set in a fire surround but having the ability to be used as an open fire if desired. French doors lead to the conservatory overlooking the established rear gardens.

A further door from the lounge leads to the contemporary kitchen which was installed in 2023 with fitted oven and hob and extractor over, spaces for the washing machine, dishwasher and fridge/freezer. The Worcester Bosch Smart Boiler is also housed in the kitchen being installed in 2026, there is also a useful utility area/side lobby leading off the kitchen with spaces for a tumble dryer and further freezer with doors to both the front and rear gardens.

Venturing to the first floor you will find a landing area with window overlooking the rear giving access to two double bedrooms (formerly three and easily converted back), the main bedroom having dual aspect windows, with a family bathroom with bath and over-bath shower. The loft is boarded with ladder and light.

A particular feature of the property are the established and well tended gardens to both the front and rear of the property.
