BUYERS' FEES

This property is sold subject to the payment of a non-refundable buyer fee of £6,950 including VAT of the successful bid.

The non-refundable buyer fee will be taken from the successful bidders bank account by Bamboo Auctions immediately the auction ends.

The buyer fee is in addition to the purchase price. Please take this into account when bidding.

This property is being sold using the traditional method of auction which requires the completion of the purchase within 20 days of the auction end date. The successful bidder is committed to pay 10% of the purchase price (the total of the final bid and the buyer fee) by 12pm the next business day after the close of the auction.

There are no other fees or charges payable to the Auctioneer, however there are other costs to consider such as:

- You will need a Solicitor to act for you during the purchase and your Solicitor will advise you in relation to their fees and any associated costs.
- Stamp Duty Land Tax (SDLT) will be payable and will be calculated based on the total of the purchase price and the non-refundable reservation fee.

Stamp duty is payable on non-refundable reservation fees when buying a property at auction, in addition to the property purchase price as these fees are considered part of the "chargeable consideration" for the property and are included in the calculation of the total amount on which stamp duty is due.
