The hallway then opens into a bright and generously sized living area, perfect for both relaxing and entertaining. This inviting space benefits from direct access onto a large private terrace, creating a seamless connection between indoor and outdoor living—an excellent spot for enjoying warmer days or hosting guests. Leading off the living area is the separate kitchen, which is well-equipped with a range of integrated appliances, including a Bosch fridge freezer, Hotpoint hob, Indesit microwave, and Hotpoint oven, offering everything needed for modern day-to-day living.

The spacious bedroom is enhanced by large windows that allow plenty of natural light to flood the room, creating a bright and airy atmosphere.

Completing the property is the bathroom, fitted with a bath and overhead shower, toilet, and sink. A particularly appealing feature is the presence of a window, providing natural light and ventilation—something not always found in apartment bathrooms.
