Calling All Residential Buyers, Investors & Developers!

Situated on a larger-than-average plot, this extended three-bedroom, three-reception room semi-detached home offers a wealth of potential—whether you're looking to renovate, extend further, or redevelop the entire plot (subject to the necessary planning permissions).

Accessed from North Street, the property opens into a spacious first reception room, which leads to the lounge (featuring stairs to the first floor), a generous kitchen-diner, an additional reception room, and a ground floor WC.

Uniquely, there are two staircases leading to the first floor—one from the lounge and a second from the third reception room, which provides direct access to Bedroom three. Upstairs, you'll find three well-proportioned bedrooms, including a remarkable primary bedroom measuring approximately 32'2" by 13'8". This main bedroom also boasts its own private balcony overlooking the expansive rear plot. A modern four-piece family bathroom completes the first floor.

Outside, the property features off-road parking at the front, with double gates opening to an extensive car standing area that can accommodate up to 5–6 vehicles, as well as access to two garages. To the left, a generous garden space with mature borders and a selection of trees provides a peaceful retreat, further complemented by a raised decking area at the rear.

This is a rare opportunity to acquire a versatile property with exceptional potential—ideal for a growing family, a savvy investor, or a developer seeking to maximise the plot's full value.

Early viewing is highly recommended to avoid missing out.
