A beautifully presented and exceptionally spacious four-bedroom detached family home, finished to an outstanding specification and occupying a generous 0.6-acre plot in a highly desirable edge-of-town location. Enjoying convenient access to the excellent amenities, schools, and transport links that Malvern has to offer, the property combines traditional family living with modern efficiency and versatile accommodation. Features include four double bedrooms, three bathrooms, four reception rooms, a study, a double garage, a gated entrance, exceptional gardens, a pool with a retractable cover, extensive parking, and a high level of specification throughout. This outstanding family home also benefits from a solar and battery storage electrical system. We strongly recommend viewing this unique and very special family residence.

PROPERTY SUMMARY

Occupying a substantial plot, the property provides versatile and well-planned accommodation throughout, briefly comprising: a large reception hallway, WC, sitting room, and a stunning open-plan kitchen, dining, and family room featuring a vaulted ceiling and direct access to the rear garden, creating an exceptional space for modern family living and entertaining. Additional ground floor accommodation includes a garden room/conservatory, utility room, boiler room, a separate snug (which could also serve as a ground-floor bedroom, games room, or playroom), and a dedicated study. To the first floor is a generous landing and an impressive principal suite enjoying a dual-aspect outlook, fitted wardrobes, and a luxurious en-suite bathroom. There are three further double bedrooms, with Bedroom Two also benefiting from an en-suite shower room, in addition to a well-appointed family bathroom. The property is approached via electrically operated double gates and enjoys a substantial frontage with ample off-road parking, an integrated double garage, and EV charging facilities. The beautifully landscaped rear garden is undoubtedly one of the property's defining features, offering an excellent degree of privacy and incorporating a generous terrace ideal for outdoor entertaining, extensive level lawns, mature and well-stocked shrub borders, and attractive pathways. Further features include a 5-foot-deep circular plunge pool with retractable cover, a Victorian-style greenhouse, and a productive vegetable garden. The garden is mature, carefully maintained, and provides a superb outdoor setting for family life.

LOCATION

Malvern is a thriving spa town well positioned for Worcester and Birmingham, with easy access to the motorway network and direct mainline trains to London. The Malvern Hills, an area of outstanding natural beauty are the dominant feature of the landscape. It is also a renowned cultural centre with an excellent theatre and cinema, leisure centre, swimming pool and several sports clubs. Malvern has very good shopping facilities, a Waitrose superstore is in the town centre and there are a wide range of independent retailers on a busy high street. More comprehensive facilities can be found in Cheltenham and the Cathedral city of Worcester, which caters for most needs.

OUTSIDE FRONTAGE

Accessed via electric double gates with an additional pedestrian gate, opening onto a private frontage with a block-paved driveway providing parking for several vehicles. The frontage is enclosed by beautifully maintained privacy hedging and includes gated pedestrian and vehicular side access to the rear garden. The front garden is laid with white stone chippings, feature ornamental ponds, and attractive potted planting.

REAR GARDEN

The rear garden is the true showstopper of the property: a substantial, level, and immaculately maintained outdoor space. Immediately to the rear of the house is a large terrace seating area, complemented by a brick-built circular table and seating area, together with attractive potted planting.

The remainder of the garden is laid mainly to an immaculate flat lawn, with pathways to either side bordered by flowering shrubs and established planting, leading to various seating areas and viewpoints throughout the garden. A heated Pfeiffer deep-plunge swimming pool is situated within the grounds, with a timber boiler house serving the pool. The pool benefits from a retractable glass cover that extends and secures to the ground, allowing year-round use.

To the rear of the garden is an area of mature trees forming a woodland garden, with pathways leading to a substantial Alitex brick/ aluminium built period-style greenhouse, positioned in a secluded corner of the garden. This area also features a pond with waterfall and decorative waterside planting.

To the left-hand side of the garden is an additional area of land containing two timber garden storage sheds and a well-established vegetable garden with raised beds enclosed by timber fencing.

The garden must be viewed to be fully appreciated, having been thoughtfully designed and maintained to an exceptionally high standard.
