FELLSIDE, GREEN LANE, CLIFTON, ASHBOURNE, DE6 2DZ

An individual detached family home built in the early 1980's for the current owners, the property offers generously proportioned five bedroomed accommodation along with family bathroom and en-suite shower room, situated on the edge of the sought after village of Clifton, conveniently located for The Waterside Retail Park and Ashbourne town centre.

Approached over a block paved driveway providing ample parking and turning space along with access to the integral garage. There is also a delightful rear garden.

Originally built as a four bedroomed house, the property was adapted to accommodate a dependent relative which involved converting the garage into a living room, the utility room into a kitchen and included an ensuite bedroom extension over the garage to provide a self contained annex. The living room has been converted back into a garage but the other accommodation remains and is now used as a five bedroomed home.
