

PROPERTY INFORMATION QUESTIONNAIRE (PIQ)

ABOUT THIS FORM

Section 1: Disclosure of material facts

This includes Parts A, B and C of the Material Information as detailed by the National Trading Standards Estate and Lettings Agency Team.

Getting the property 'market ready'

The information which you provide must be accurate. Whether you are the owner of the property or represent someone unable or unavailable to complete the form, the form should be completed as though the questions are being answered by the owner.

This form is required to ensure that the Consumer Protection from Unfair Trading Regulations 2008 are complied with during the marketing of the property and must be completed as accurately as possible. Under the Consumer Protection from Unfair Trading Regulations 2008 it is important to disclose anything that would materially affect the transactional decision of the average consumer.

Please provide as much information as possible and do not omit information. If questions do not apply, please state "not applicable" in the space provided.

The information will be used by your estate agent and the conveyancers representing yourself and the buyer to support the sale of the property. If any of the information changes before you complete the sale, then you should let your estate agent and conveyancer know as soon as you become aware of the new information.

Instructing your conveyancer now will mean that they can review the information you have provided and help you resolve any title defects or replace missing documents. This will significantly speed up the sale and reduce the likelihood of the sale falling through.

Section 2: Additional information required for the conveyancing process

Getting the property 'sale ready'

During the sales process, there will be additional information often requested by other parties involved. By completing this section, you will likely save both time and money during the conveyancing process. Therefore, we recommend that you also complete this section.
