Overall Description

GUIDE PRICE: £575,000-£600,000. This is a substantial semi-detached 1930's bungalow in a good-sized plot that is in need of internal modernisation, but offers buyers considerable scope for extension and further remodelling to create a large modern family home, subject to the usual consents. The property has three bedrooms, a bathroom, large sitting/dining room, conservatory and kitchen, with nicely proportioned rooms and high ceilings throughout. The windows are double-glazed with gas central-heating run off the back boiler in the sitting room. The loft is large and has potential for conversion into further living accommodation, as other similar properties have in the area, and there may also be scope to extend into the garage or to the rear (all subject to consent). The back garden is pleasantly landscaped, well-stocked and a good size and there is a private drive to the front and potential to create further off-street parking should you so wish. The property is being sold with no chain so if you are looking for a property with potential to create the family home of your dreams, please book in to view at the Open Day which is from 11.30am to 12.30pm on Saturday the 14th of March.

There are schools at all levels in the vicinity including Cuffley School (nursery and primary).
