A spacious and very well presented semi-detached family house which has been considerably extended to provide versatile accommodation in this highly sought after south city location

This 5 bedroom semi-detached property has been extensively extended and offers substantial and versatile accommodation with annexe potential should it be desired.

An impressive kitchen/breakfast/dining room with patio doors to garden opens onto the light and airy family room/study which in turn leads onto the 27'2" sitting/dining room. There is a side lobby/hallway area with its own external door to the side with the second reception room off and a second staircase leading to bedrooms 4 and 5 as well as a shower room. This area of the property offers great flexibility and would (as stated above) lend itself well to some form of independent annexe area if required. A further main staircase of the reception hallway leads to the 3 principle bedrooms and contemporary shower room.

Externally, there is a generous gravelled driveway to front, useful side area and a beautifully landscaped rear garden with timber-decked patio areas, lawn and garden workshop.

Viewing comes highly recommended in order for the property to be fully appreciated.

Cherry Hinton road is a conveniently placed location with easy access to Addenbrookes Hospital and the city centre, the property is within easy walking distance of local shopping facilities.
