OFFERED FOR SALE WITH NO FORWARD CHAIN is this SUBSTANTIAL THREE DOUBLE-BEDROOM SEMI-DETACHED HOME, boasting a GENEROUS COTTAGE-STYLE GARDEN, a SPACIOUS COUNTRY-STYLE KITCHEN, along with a UTILITY ROOM AND GROUND-FLOOR WC.

To the front of the home is a comfortable and inviting sitting room, finished in a neutral colour palette that complements the room's scale and allows it to feel bright and airy. An elegant archway leads through to the adjoining dining area, creating a sense of openness while still clearly defining each space. From here, French doors open out, enhancing the flow between indoor and outdoor living and allowing natural light to flood the room. This arrangement works particularly well for both relaxed everyday living and entertaining.

Beyond the dining area, the home opens into a charming kitchen combining traditional styling with practicality. Painted cabinetry, wooden work surfaces, and a classic butler-style sink give the space a warm, homely feel, while the feature range cooker adds further character. The kitchen benefits from excellent natural light via windows and a part-glazed door, and there is ample space for food preparation, storage, and casual dining.

Leading on from the kitchen is a utility area, providing valuable additional storage and practical space for laundry and household tasks. A ground floor WC completes this space.

Stairs rise to the first-floor landing, where the main bedroom accommodation and bathroom are located.

The principal bedroom is a generous double room with plenty of space for wardrobes and free-standing furniture. Bedroom two is also well proportioned and would suit use as a guest room, child's bedroom, or home office.

The bathroom is an impressive feature within the home, beautifully presented with a freestanding roll-top bath, pedestal basin, and traditional styling. Patterned tiled flooring, half-height panelling, and dual windows create a bright, relaxing space with a timeless and elegant feel.

A further staircase leads to the second floor, where the third bedroom occupies the upper level. This is a spacious and characterful room, offering excellent versatility as a main bedroom, guest suite, or creative workspace, with exposed Portland Stone adding to its charm.

The garden is a real highlight of the property, extending to an impressive length and offering a wonderfully green, mature setting. Bordered on either side by attractive Portland stone walls, the space feels both private and full of character. Predominantly laid to lawn with established planting, it provides plenty of room to enjoy the outdoors, whether for relaxing, gardening, or entertaining. At the far end of the garden sits a summer house, creating an ideal retreat for reading, hobbies, or simply enjoying peaceful views back towards the house.
