DESCRIPTION

A spacious detached true bungalow offering over 1,250 sq. ft. of internal space on a substantial plot of 0.40 acres. There is ample space to extend (subject to necessary permissions) but most will not need to. A very special opportunity in this really sought after village and offered with no forward chain so early viewing is essential.

This lovely spacious property on its particularly generous plot of 0.4 acres has been a much loved family home for some time. The owners have now decided to offer it to the open market with no forward chain. With over 1,250 sq. ft. of space and consisting of 3 reception rooms and 3 bedrooms it will appeal to many buyers as it is but the sizeable plot may also allow for some extension and reconfiguration if required (subject to necessary permissions). A portion of the generous plot sits to the front setting it back nicely from the end of the cul-de-sac where it is located and providing space for a generous driveway. The bulk of the garden lies to the rear and is not overlooked. While it is largely lawned at the moment it offers ample opportunity for a formal or working garden, or a combination of the two. With oil-fired central heating and uPVC double glazing the accommodation comprises: an Entrance Hall, spacious Living Room, Dining Room with French doors to the garden, a Breakfast Room that is adjacent to the fitted Kitchen (providing the potential to merge the two), 2 Double Bedrooms, a decent single Bedroom and a Bathroom. There is an attached garage with a spacious block paved driveway leading to it, a generous enclosed front garden which is lawned and extensive rear gardens, again which are largely lawned.

A full internal inspection is the only way you will fully appreciate all this property offers in terms of space (both internally and externally) and potential. With no forward chain we would recommend viewing at the earliest opportunity. We do also have a 360 degree tour available which would provide a useful insight in the first instance.

LOCATION

Lockington is a lovely rural village located to the north east of Beverley and close to the other highly regarded villages of Lund, South Dalton and Kilnwick. There is a popular primary school and historic church. While there is no pub in the village, the Michelin starred Pipe & Glass at South Dalton and the superb Wellington Inn at Lund provide excellent options. Further local amenities are available in Beverley and Driffild as well as Market Weighton and Pocklington, while York and Hull will offer anything else you might need.
